

Dear Industry Colleague,

TAPPI is excited to announce the 2017 Shipping, Receiving, & Warehousing Workshop (SRW) to be held April 18<sup>th</sup> – 19<sup>th</sup>, 2017 at the Portland Marriott at Sable Oaks in Portland, ME. Be a part of this dedicated group as they collaborate to reduce in-transit damage to rolls of paper at this premier forum for industry leading paper shippers.

This is a truly practical, interactive and collaborative workshop put on by industry professionals, for industry professionals - all parties of the supply chain - to address common issues and concerns relating to damage and damage prevention in the paper industry. It's an excellent networking opportunity - paper buyers, paper companies, carriers, securing / damage prevention specialists, block and bracing manufacturers, safety experts all under one roof.

We would like to offer you an opportunity to put your company's brand in front of key industry professionals, who have a vested interest in your products, by becoming a workshop sponsor. Sponsorship at this workshop will show our attendees your commitment to building industry relationships. If you are interested in sponsoring this workshop, please refer to the attached form and/or contact Ashley Westbrook of TAPPI [[awestbrook@tappi.org](mailto:awestbrook@tappi.org)].

We hope to see you in Portland,

Mike Segal  
2017 SRW Committee Chair
